Any such audit shall be conducted in accordance with 48 CFR part 31 and audit guidelines specified by the State and/or in accordance with audit requirements specified elsewhere in this Contract.

C. Certification for Federal-Aid Contracts Lobbying Activities. The LPA certifies, by signing and submitting this Contract, to the best of its knowledge and belief that the LPA has complied with Section 1352, Title 31, U.S. Code, and specifically, that:

3. The LPA acknowledges paragraph 7 of the Federal Highway Program Manual, Volume 7, Chapter 1, Section 3, entitled "Withholding Federal Participation" which is herewith quoted in part as follows: "Where correctable noncompliance with provisions of law or FHWA requirements exist, federal funds may be withheld until compliance is obtained. E. Disadvantaged Business Enterprise Program. Notice is hereby given to the LPA or a LPA Contractor that failure to carry out the requirements set forth in 49 CFR Sec. 26.13(b) shall constitute a breach of this Contract and, after notification, may result in termination of this Contract or such remedy as INDOT deems appropriate.

The referenced section requires the following policy and disadvantaged business enterprise ("DBE") assurance to be included in all subsequent contracts between the LPA and any contractors, vendors or suppliers:

The LPA shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Contract. The LPA shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the LPA to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy, as INDOT, as the recipient, deems appropriate.

As part of the LPA's equal opportunity affirmative action program, it is required that the LPA shall take positive affirmative actions and put forth good faith efforts to solicit proposals or bids from and to utilize disadvantaged business enterprise contractors, vendors or suppliers.

F. Disputes.

1. Should any disputes arise with respect to this Contract, the LPA and INDOT agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
2. The LPA agrees that, the existence of a dispute notwithstanding, it shall continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the LPA fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by INDOT or the LPA as a result of such failure to proceed shall be borne by the LPA.
3. If a party to the contract is not satisfied with the progress toward resolving a dispute, the party must notify in writing the other party of this dissatisfaction. Upon written notice, the parties have ten (10) working days, unless the parties mutually agree to extend this period, following the notification to resolve the dispute. If the dispute is not resolved within ten (10) working days, a dissatisfied party will submit the dispute in writing according to the following procedure:
4. The parties agree to resolve such matters through submission of this dispute to the Commissioner of INDOT. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the LPA within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the parties concludes that the presentation period is over. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If a party is not satisfied with the Commissioner's ultimate decision, the dissatisfied party may submit the dispute to an Indiana court of competent jurisdiction.
5. INDOT may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by INDOT to the LPA of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for LPA to terminate this Contract, and the LPA may bring suit to collect these amounts without following the disputes procedure contained herein.

- G. Drug-Free Workplace Certification.** The LPA hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace, and that it shall give written notice to the INDOT and the IDOA within ten (10) days after receiving actual notice that an employee of the LPA in the State of Indiana has been convicted of a criminal drug violation occurring in the LPA's workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of Contract payments, termination of the Contract and/or debarment of contracting opportunities with the State of Indiana for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total Contract amount set forth in this Contract is in excess of \$25,000, LPA hereby further agrees that this Contract is expressly subject to the terms, conditions and representations of the following certification:

This certification is required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana. Pursuant to its delegated authority, the IDOA is requiring the inclusion of this certification in all contracts with and grants from the State of Indiana in excess of \$25,000. No award of a contract shall be made, and no contract, purchase order or agreement, the total amount of which exceeds \$25,000, shall be valid, unless and until

this certification has been fully executed by the LPA and made a part of the contract or agreement as part of the contract documents.

The LPA certifies and agrees it shall provide a drug-free workplace by:

1. Publishing and providing to all of its employees a Statement notifying their employees the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the LPA's workplace and specifying the actions that will be taken against employees for violations of such prohibition; and

5. Within thirty (30) days after receiving notice under subdivision (3)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) take appropriate personnel action against the employee, up to and including termination; or (2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or Local health, law enforcement, or other appropriate agency; and

H. Force Majeure. In the event either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a Force Majeure Event), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

I. Funding Cancellation Clause. When the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of the performance of this Contract, this Contract shall be canceled. K. Indemnification. The LPA agrees to indemnify, defend, exculpate, and hold harmless the State of Indiana, INDOT, and their officials and employees from any claims and suits including court costs, attorneys fees, and other expenses caused by any act or omission of the LPA and/or its subcontractors in the performance of this Contract or any liability due to loss, damage, injuries, or other casualties of whatever kind, or by whomsoever caused, to the person or property of anyone on or off the Project arising out of, or resulting from the work covered by this Contract or the work connected therewith, or from the installation, existence, use, maintenance, condition, repairs, alteration or removal of any equipment or material. The LPA agrees to pay all reasonable expenses and attorney's fees incurred by or imposed on the State and INDOT in connection herewith in the event the LPA shall default under the provisions of this Section. INDOT shall not provide such indemnification to the LPA. Notwithstanding the preceding provisions of this Section, the obligation of the LPA to indemnify, and hold harmless shall only arise if the LPA also would be liable under I.C. 34-13-3. Further the liability of the LPA shall be limited by the provisions of I.C. 34-13-3-4.

L. Merger & Modification. This Contract constitutes the entire agreement between the parties. No understandings, agreements, or representations, oral or written, not specified within this Contract will be valid provisions of this Contract. This Contract may not be modified, supplemented or amended, in any manner, except by written agreement signed by all necessary parties.

In addition to any other rights and duties required by Indiana or federal law, regulations, rules, policies or procedures, or described elsewhere in this Contract, the following are the LPA's rights and duties under this Contract for the Project.

1. The LPA has requested and intends to use federal funds to partially pay for the Project. The LPA asserts that the LPA has completed the design of the Project in accordance with INDOT's Design Manual (See <http://www.in.gov/dot/div/contracts/standards/dm.html>.) and all pertinent state and federal laws, regulations, policies and guidance. The LPA asserts that the LPA or its consultant has prepared the environmental document(s) for the Project in accordance with INDOT's Environmental Manual (See <http://www.in.gov/indot/7287.htm>.). The LPA asserts that the land acquisition for the Project by the LPA or its consultant has been completed in accordance with INDOT's Real Estate Manuals (See <http://www.in.gov/indot/3318.htm>.).
2. The LPA acknowledges that in order for the cost of consultant services to be eligible for federal funds or federal credits, the consultant selection must be in accordance with INDOT's consultant selection procedure or INDOT's Alternative Architectural and Engineering Firm Selection Process for Local Public Agencies (See <http://www.in.gov/dot/div/legal/rfp/LPASection/information/consultantselection/Alternative%20INDOT%20LPA%20Consultant%20Selection%204-30-07.pdf>)
3. The LPA asserts that the LPA or its consultant has submitted all relevant documents including, but not limited to, all plans, specifications and special provisions, to INDOT. The LPA shall be responsible for all changes to the plans, special provisions, and cost estimate during construction of the Project.
4. The LPA asserts that all right-of-way acquisition, utility coordination and acquisition of the necessary permit(s) has been completed and documentation thereof has been submitted to INDOT. The utility coordination shall be in accordance with 105 I.A.C. 13.
5. If the LPA has failed to meet any of the requirements of sections 1, 2, 3, or 4 above, INDOT will not open bids for the construction project.
6. The LPA shall pay the cost as described in Attachment D within thirty (30) calendar days of INDOT's award of the construction contract. The LPA's failure to pay this amount within this timeframe will be cause for INDOT to cancel the construction contract.
7. The LPA understands time is of the essence regarding the Project timeline and payment of costs by the LPA. Delays in payment may cause substantial time delays and/or increased costs for the Project. If the LPA has not paid the full amount of the amount billed by INDOT, in accordance with Attachment D, within sixty (60) calendar days past the due date, INDOT shall be authorized to cancel all contracts relating to this contract including the contracts listed in II.A.1 of Attachment D and/or proceed in accordance with I.C. 8-14-1-9 to compel the Auditor of the State of Indiana to make a mandatory transfer of funds from the LPA's allocation of the Motor Vehicle Highway Account to INDOT's account.
8. The LPA shall also be responsible for all costs associated with additional provisions and/or expenses in excess of the federal funds allocated to the project. The LPA, in conjunction with FHWA (if applicable) and INDOT, shall review and approve all change orders, and such approvals shall not be unreasonably withheld.

9. The LPA shall provide competent and adequate engineering, testing, and inspection service to ensure the performance of the work is in accordance with the construction contract, plans and specifications and any special provisions or approved change orders. If, in INDOT's opinion, the services enumerated in this section are deemed to be incompetent or inadequate or are otherwise insufficient or if a dispute arises, INDOT shall, in its sole discretion, have the right to supplement the services or replace the engineers or inspectors providing these services at the sole expense of the LPA.
 - A. If project inspection will be provided by LPA employees the cost thereof is not eligible for ARRA funds; hence the cost thereof shall be borne by the LPA.

or

 - B. If project inspection will be provided by the LPA's consultant:
The LPA must utilize a consultant which is on INDOT's list of pre-qualified consultants for the type of work to be performed. INDOT must approve, in writing, the consultant personnel prior to their assignment to the project. The LPA shall execute a contract with a consultant setting forth the scope of work and fees. The LPA shall submit this contract to INDOT prior to INDOT's construction letting for the Project. Only costs incurred after FHWA's authorization of federal funds for the Project shall be eligible for federal aid participation. All claims for federal-aid shall be submitted to the District office, referenced on page 1, for payment.
 - C. If project inspection will be provided by the LPA's consultant selected off of INDOT's district-wide inspection contract:
At least 15 calendar days prior to INDOT's scheduled construction letting for the Project, the LPA shall, in writing, request to use a consultant selected by INDOT. INDOT will notify the LPA which consultant employees will be assigned to the Project. Only costs incurred after FHWA's authorization of federal funds for the project will be eligible for federal aid participation. All claims for federal-aid shall be approved by the LPA and submitted to the District office, referenced on page 1, for payment.
10. The LPA shall submit reports to INDOT regarding the project's progress and the performance of work per INDOT standard reporting methods.
11. The LPA hereby agrees that all utilities which cross or otherwise occupy the right-of-way of said Project shall be regulated on a continuing basis by the LPA in accordance with INDOT's Utility Accommodation Policy (See <http://www.in.gov/indot/files/UtilityProAccPolicy.pdf>). The LPA shall execute written use and occupancy contracts as defined in this Policy.
12. If FHWA or INDOT invokes sanctions per Section VI.D.2, or otherwise denies or withholds federal funds (hereinafter called a citation or cited funds) for any reason and for all or any part of the Project, the LPA agrees as follows:
 - a. In the case of correctable noncompliance, the LPA shall make the corrections, to the satisfaction of FHWA and INDOT, in a reasonable amount of time. If the LPA fails to do so, paragraph 12.b and/or 12.c below, as applicable, shall apply.
 - b. In case a citation for noncompliance is not correctable or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA and INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, this paragraph shall apply and adjustments shall be made as follows:

1. The LPA shall reimburse INDOT the total amount of all right-of-way costs that are subject to FHWA citation that have been paid by INDOT to the LPA.
 2. If no right-of-way costs have as yet been paid by INDOT to the LPA or to others, INDOT will not pay any right-of-way claim or billing that is subject to FHWA citation.
 3. The LPA agrees that it is not entitled to bill INDOT or to be reimbursed for any of its right-of-way liabilities or costs that are subject to any FHWA citation in force.
- c. If FHWA issues a citation denying or withholding all or any part of construction costs due to LPA noncompliance with right-of-way requirements, and construction work was or is in progress, the following shall apply:
1. INDOT may elect to terminate, suspend, or continue construction work in accord with the provisions of the construction contract.
 2. INDOT may elect to pay its obligations under the provisions of the construction contract.
 3. In the case of correctable noncompliance, the LPA shall make the corrections in a reasonable amount of time to the satisfaction of FHWA and INDOT.
 4. In case the noncompliance is not correctable, or if correctable and the LPA does not make any corrections, or if correctable and the LPA makes corrections that are not acceptable to FHWA or INDOT, or for whatever reason the FHWA citation continues in force beyond a reasonable amount of time, and construction work has been terminated or suspended, the LPA agrees to reimburse INDOT the full amount it paid for said construction work, less the amount of federal funds allowed by FHWA.
- d. In any case, the LPA shall reimburse INDOT the total cost of the Project, not eligible for federal participation.
- e. If for any reason, INDOT is required to repay to FHWA the sum or sums of federal funds paid to the LPA or any other entity through INDOT under the terms of this Contract, then the LPA shall repay to INDOT such sum or sums within forty-five (45) days after receipt of a billing from INDOT. Payment for any and all costs incurred by the LPA which are not eligible for federal funding shall be the sole obligation of the LPA.
13. The LPA shall promptly notify, in writing, INDOT (Mr. David Holtz, Indiana Department of Transportation, 100 North Senate Avenue, Room N955, Indianapolis, IN 46204) of any **decrease** in the cost to construct the Project.
